1 computer visitor has blocked cookies in their browser options. In order to illustrate this,
2 I first show what happens when a visitor that has *not* blocked all cookies and then goes
3 to the DMV.ORG website through a Google search: namely, the splash screen appears.
4 I then go through the process of blocking the receipt of cookies by changing the privacy
5 options in the Internet Options section of the browser. After applying the changes, I
6 then demonstrate how the DMV.ORG splash screen does not appear when accessing
7 the DMV.ORG domain and instead how the visitor immediately sees the DMV.ORG
8 website content. The PDF presentation is a true and accurate depiction of what actually
9 takes place on a computer screen when the steps indicated are employed by a computer
10 user.

11 I declare under penalty of perjury under the laws of the State of California that
12 the foregoing is true and correct and that this Declaration was executed on December
13 30, 2008, at Los Angeles, California.

Eric Creditor
